

**THANK YOU EPIANCE FOR MAKING THIS POSSIBLE
RELIEF SPONSORED BY EPIANCE EMPLOYEES**

Our team has been actively reaching out to the areas of Indira Nagar, Shanthi Nagar and Banaswadi areas with aid and relief. The team has distributed ration kits and essentials to more than 150 daily wage earners and their families in these areas. Volunteers from the Community Policing as well as the employees from the corporate Epiance Pvt. Ltd helped the Aashwasan team to assemble, transport and distribute the relief food materials.

As part of our community outreach program, Aashwasan is providing Ration Kits, Food Relief and Hygiene Kits to these stranded workers and others in the underprivileged strata in the duration of the lockdown.

We will continue to locate stranded and affected people in various localities and reach out to them with relief packages in the days to come.
