

Aashwasan Transforming Lives

On the occasion of the 152nd birth anniversary of Mahatma Gandhi, Aashwasan Foundation was honoured with the award at the award ceremony hosted by the Liveweek group on Oct 1, 2021, at India International Centre, New Delhi.

Aashwasan Foundation has been awarded the prestigious Mahatma Award 2021 in the category “Inventions that Maximize Human Potential”. Liveweek is a social impact space that connects specialists and industry leaders to create a more significant impact around the globe. It is a New York and India based institution established with a mission to help organizations align the goals to the sustainable development plans of the United Nations. Mahatma Award recognizes impact leaders and change-makers across the globe who are making a social impact and leading the way to a sustainable future. It honours the most accomplished social and community initiatives within the private and public sector, from sustainability to philanthropy to shared value to corporate social responsibility.

Aashwasan Foundation’s work was showcased at NGO Expo held in New York in September 2017 and has been consistently honoured with the Mahatma Award for 3 consecutive years - 2019, 2020 and 2021. Aashwasan has been recognized for its innovative and path-breaking solutions to better human living and its contribution towards sustainable development goals as established by the United Nations.

Aashwasan brings forth a unique science - Aashwasan Science™ that connects people to their infinite self, thereby helping them to experience and explore their inborn potential. This science was invented by Rashmi Aiyappa, the spiritual scientist, inventor and social innovator, based on her discoveries of Lifeforce Mechanism™ and Timeless Phenomenon™. Aashwasan Science techniques have brought unprecedented breakthroughs in over 100 areas such as Degenerative conditions, Genetic disorders, Autoimmune conditions, Lifestyle Issues,

Mental Health, Developmental Disorders, Addictions, Critical Conditions, Neurological conditions, Non-Communicable Diseases and many intractable conditions.

Over the last 15 years, Aashwasan Foundation has stood as the last ray of hope to thousands of individuals and organisations who have found answers to undiagnosed, untreatable and recalcitrant problems. Aashwasan Foundation has been recognized for its holistic, innovative solutions in transformative health and well-being services by many world-renowned bodies. Rashmi Aiyappa, has been recognized as an Iconic Leader by Women Economic Forum. Additionally, she was recognized as one of the 50 most impactful social innovators globally for promoting peace by World CSR. She was also awarded NGO Excellence Awards for Social Consciousness as “Social Innovator” and the Global Peace leadership and Excellence Award at the World Peace Conference.

Considering Aashwasan Science™ is a new invention in the world that brings breakthroughs in health & well-being and lifestyle transforming experiences, Aashwasan was awarded under a special category “Inventions that Maximise Human Potential”, to acknowledge its innovative approach and contribution to the well-being of humanity.

Aashwasan lays a path for a journey of homecoming. It is a space that has an answer beyond religion, belief, faith, logic and philosophy – it is an experience. It is a revolution that is here to make this world a place of love and hope.
