CELEBRATING A REMARKABLE ACHIEVEMENT!

We are overjoyed to announce that our sister organization, Epiance Software, has been recognized by Forbes India as one of the Top 200 companies in India poised for global success at Forbes DGEMS 2023.

Forbes India D Globalist is shining a spotlight on "Extrepreneurs"—visionary founders transforming the global business landscape with cutting-edge technologies, thereby generating employment opportunities across nations. This esteemed recognition is a testament to the innovative spirit of founders Rashmi Aiyappa and Ravi Ramamurthy, who persist in reshaping the industry with innovative solutions.

At Aashwasan, we extend our heartfelt congratulations to Rashmi Aiyappa, founder of Aashwasan, and Ravi Ramamurthy, Director and Chief Advisor, for this outstanding accomplishment. Your dedication, innovation, and commitment to excellence inspire us all. Aashwasan Team, we wish you continued success and groundbreaking innovations ahead
